## SOFTBALL MINISTRY

Biblically, God's People, His Church, are called to face in four directions. **Backwards**, toward creation, ever mindful of our place in God's story, as His image bearers, charged with filling the earth with His glory. **Forwards**, toward the confident hope of Christ's return and His making new all things in Jesus. **Inwards**, toward one another to love, serve and build each other up. And **outwards**, toward a lost world with the good news of Jesus. This softball ministry has aspects of all four and is designed to tangibly display the grace of God in Christ to the world.

**Sunday evenings in season.**

See [www.myadorationchurch.com](http://www.myadorationchurch.com) for a schedule.

Time and energy. We are not looking for everyone to play softball. It remains a powerful witness when the community of faith is well represented outside the walls of the church, loving and serving one another through a ministry of presence.

This speaks unity, which speaks Gospel.

Pray. Pray for the love and grace of Christ to be easily spotted in and through His people. Join us. Come be a part of the community of fellowship as fans.

This can easily be a family affair. There is a splash-park behind the field and a playground next to it, for the kiddos. This is a great environment to BE the church beyond the walls.
